The Borough Council would be informed of the casual vacancies and a further report would be made to the next meeting when there would be an opportunity to record the Council's recognition of the service given by those members.

C66 Representations from members of the public

Further to Standing Order 10 the Council agreed to allow representations to be made by the public on an item not included on the agenda.

Residents of Dam Lane reported issues relating to:

- Blocked drains in the highway resulting in flooding to gardens. The matter had been reported to the Borough Council, but the work undertaken had not cleared the problem.
- Use of the road by heavy goods vehicles (HGV's) and speeding by vehicles – concern had been raised with the police at HGV's using Dam Lane in an attempt to access the Grange Employment area and parking on the road adjacent to the shops. It was noted that the Council had requested a 20MPH restriction on Dam Lane and had raised the need for additional signing to the employment area to avoid HGV's using residential roads.

Resolved,

That

1. the residents be supported in seeking action from the Borough Council to remedy their concerns;
2. the offer of the Borough Ward Councillors to meet with the residents and follow up on the matters raised with the Borough Council be supported.

C67 Minutes of the previous meeting

Resolved,

That the minutes of the meeting held on 10 November 2021 be taken as read and signed as a correct record.

C70 Policing of Woolston – community liaison report

The Council received a report on the policing of Woolston for November and December 2021. The Council had been informed by the Police that an officer was not available to attend the meeting and had requested that any comments or questions be reported to them for action:

Borough Councillors Dixon and Hill reported on matters under consideration by the Borough Council relating to the parish and on issues that they had acted on for residents since the last meeting. (The Council noted that the reports related to the parish council area and not to the wider area of the Rixton and Woolston Borough Ward unless there was an issue of interest to Woolston).

Details of matters since the last meeting:

- Assistance to residents of Hillock Lane was continuing on a management issue with Torus, the landlord.
- Gig Lane – report made following concern of residents regarding the speed of vehicles.
- The Borough Council had agreed at a site meeting held with the Director of Transport and Environment, attended by Councillors Dixon and McCarthy and a resident, to carry out maintenance of the path leading to Woolston Playing Fields adjacent to

- 27 November 2021 a fallen tree blocked the New Cut towpath near Bridge Lane. This was reported and removed.
- Vehicle loading/unloading has obstructed access to the right of way across the gate entrance to Woolston community recycling centre on several occasions recently.
- Path 31 along Thelwall Lane to the Woolston Eyes nature reserve has been commented on in the local press as being in poor condition.
- Path 27 to Rixton alongside the River Mersey has suffered some bank erosion. This can legally be bypassed by walkers.
- Gravel resurfacing has taken place on parts of Path 17 Brook Lane.
- Wire fencing alongside Path 16 Brook Lane to Juniper Lane has been removed.
- Path 12 Moss Brow to Nicol Avenue is currently accessible on foot as ground vegetation has died back over the winter but still requires remedial tree work for safety reasons. Graffiti on private land signs in the vicinity indicates concern over the lack of a clear and obvious route of the right of way.

Resolved,

That the report be noted.

The Woolston Church of the Ascension in recent years had organised the event in liaison with the appointed representative of the Royal British Legion (RBL) in Woolston. The post of vicar at the church was vacated in August 2021 and the Council had agreed to undertake the role of event organiser for 2021 in liaison with the church and the RBL representative. C73 Reports from members appointed to local bodies

The Council received reports from members who were appointed by the Council or other organisations on local bodies including:

- New Cut Heritage and Ecology Trail Group – Councillor J Greenslade – monthly meeting of the group had been postponed. Information was published by the group on their website.
- Friends of Woolston Park group – report by Councillor Pearce for the period November 2021 – January 2022:

13 November 2021 YFOWP Work Day

Attendance at the November YFOWP was a full house and an enjoyable morning. The majority stayed by the cabin making wreaths to take home. The base for the wreaths were made from pliable shrub offcuts found in the park that we had cut earlier in the week and kept moist. We used some of the existing decorations from previous years and purchased extras to decorate. Even the younger ones made amazing wreaths, some with the help of their parents but all were really beautiful. Some of the older children and volunteers were working in the park litter picking, working in the Jubilee Garden and some pruning overgrown bushes close to the pond, one of the small trees was damaged and needed cutting back so they made the narrow trunk into a feeding table for the birds. Even the weather was OK.

15 November 2021 FOWP Work Day I was unable to attend due to other commitments but believe volunteers continued with their regular litter picking, hedge cutting and planting bulbs along the bridle path.

22 November 2021 FOWP Work Day

The regular volunteers were working mostly on their own around the park. They're used to doing various jobs so when they see something needing attention. they just get on with it. We couldn't manage without them. Three of us built another hedgehog house, it's unlikely it will get used this winter as the hedgehogs ought to be in hibernation now, but we hope it's well used for many years in the future.

24 November 2021

This was not a regular work day for me and I didn't attend although I did walk through the park with my dog and met up along the way with 3 hardworking men (Jon, Alex & Chris who work regularly on Wednesdays) clearing leaves and pruning some of the unwanted shrubbery with a strimmer.

29 November 2021 FOWP Work Day

Due to the extreme weather conditions some of the trees and shrubs were uprooted blocking some of the paths. After much cutting and sawing off some of the branches a vehicle suddenly appeared along the pathway. It was the Council Workers with a shredder on board. Apparently, they had already shredded several and they finished off the others for us.

3 December 2021 SANTA DASH

Unfortunately, Foxwood School cancelled the Santa Dash due to the weather.

6 December 2021 Work Day

I was not able to attend this work day or the following week. Then the Volunteer work days ended until the New Year. I believe some of the Friends continued to drop in from time to time keeping an eye on things.

20 December 2021 Wind in the Willows Carol Service

The children, with their parents and staff from the Wind in the Willows Nursery in Woolston attended Woolston Park to hold their annual Carol Service. The Carol Service was held under the gazebo. The young toddlers sang beautifully with their parents and older brothers and sisters joining in, in the background. A lovely occasion.

10 January 2022 YFOWP Work Day

The first day back for the Young Friends and what a wonderful meeting it was. Andy from Birchwood Hedgehog Rescue attended to give us a talk about hedgehogs. It was really interesting and educational too. The star of the day was a beautiful hedgehog that he has not been able to return to its natural habitat. The reason being a magpie had attacked it and left it blind. It certainly landed on its feet at Birchwood Hedgehog rescue and is now leading a happy contented life. It's called Penelope. Andy runs the Rescue from his home. He explained in detail what to do (or not do) if you have a hedgehog in your own garden. Also made it clear if anyone does find one out in the daytime to put it in a well-ventilated box and to contact Birchwood Hedgehog Rescue and he will come to collect it. If you wish to know more about Andy's visit you can see more details on the Friends of Woolston Park Facebook website. I should mention that Andy does not charge for his work but personally I think he deserves to receive some donations for the excellent work he's doing.

17 January 2022 Work Day

Work involved the usual litter picking and some of the volunteers do litter pick throughout the week in their own time. Again, trimming of branches around the park and general tidying up around the cabin, clearing leaves and soil on the car park. Removing leaves from the cabin gutters. There's lots more to do and will need to be continued over the weeks ahead.

For anyone interested in birds the RSPB Big Garden Birdwatch takes place from 28 - 30 January. It's a very important survey to show the status of our current bird population and free for anyone to take part. This is the link and is all lowercase. <https://www.rspb.org.uk/get-involved/activities/birdwatch/everything-you-need-to-know-about-big-garden-birdwatch/>

The Council also considered a report on the poor condition of the public toilets at the Ranger Cabin.

The closing date for comments was 3 March 2022.
